EXPERIENCE

Senior Campaign Manager

Jul 2023 – Present

iOPEX Technologies — Chennai, Tamil Nadu

- **Promoted to Senior Campaign Manager within one year** of joining as Media Analyst; own end-to-end strategy and execution for $4–5M+ in monthly ad spend across Google Ads, Microsoft Ads, Meta, and YouTube for a multi-market portfolio spanning home services, retail, healthcare, real estate, powersports, and higher education.
- **Secured over $500K in combined annual client budget growth** across four long-term accounts spanning healthcare, retail, and home improvement verticals — $161,316 from a retail account, $155,124 from a healthcare account, and $125,734 and $65,472 from two home improvement accounts — through consistent CPL performance, renewal negotiations, and data-backed client reviews.
- **Delivered year-over-year performance gains on a major account:** grew qualified leads by 141% while cutting cost-per-lead by 56%, through continuous keyword, bid, and audience optimization.
- **Scaled paid social performance** across Meta and Instagram, growing reach up to 113% and engagement (clicks/swipes) up to 105% year-over-year across multiple accounts, while improving display ad CTR up to 50% YoY.
- **Home services client — CPL turnaround across 6 service lines:** beat CPL goals in 5 of 6 verticals in a single month, including Windows (-69%, $851→$263), Bathrooms (-62% to $286), Siding (-55% to $347), Kitchens (-41% to $70), and Roofing (-35% to $162) — contributing to $48K/month in overall revenue impact.
- **Multi-market retail client — CPL & lead growth:** cut cost-per-lead 65–90% and grew monthly lead volume 2.2x–8x across three markets in one month.
- Manage budget pacing and delivery across 100+ geographic and vertical market segments; run continuous A/B testing on ad copy and landing pages.
- Deliver client-facing performance reviews and recommendations directly to stakeholders, translating campaign data into account growth strategy that supports client retention.

Media Analyst

Jul 2022 – Jul 2023

iOPEX Technologies — Chennai, Tamil Nadu

- Built and delivered performance reports — Pacing, ROAS, Display, Social, YouTube, Keyword, CPC, Auction Insights, and ZIP Code/location analysis — across Search, Display, YouTube, and social platforms to support strategic optimization decisions.
- Worked daily in Google Ads, Microsoft/Bing Ads, Google Analytics, NinjaCat, TapClicks, Simpli.fi, and ReachLocal to ensure reporting accuracy across platforms.
- Streamlined reporting workflows using Asana and automated processes, reducing manual effort and turnaround time while maintaining data integrity.
